

# GIST Support UK (GSUK)

## GDPR statement – Registration details

The new European GDPR (General Data Protection Regulations) apply to the storage and processing of personal data, and they contain provisions with which GSUK must legally comply. One of the GDPR regulations requires us to have explicit permission from each person who is registered with us to hold their personal data. The purpose of keeping your data is:

Purpose	for Patient/Carer	Other
to help improve your GIST journey	✓	
access the best treatment	✓	
manage drug side effects	✓	
keep informed about patient conferences	✓	✓
keep informed about PAWS-GIST clinics	✓	✓
keep informed about new drug trials/treatments	✓	✓
access support from people with first-hand experience	✓	
facilitate local meetups via the patient email forum	✓	
enable you to keep contact with GIST patients	✓	
access up to date GIST patient information booklets	✓	✓

Please provide as much of the data below as you can, and then sign the Declaration below, giving your explicit permission for GSUK to hold the same.

Please provide your **email address** because this is the best way for us to stay in touch. Also provide a **contact telephone number** as backup because email can be unreliable. **If you are a patient or carer**, please also indicate if you would like to be enrolled into our private patient/carers online email forum where you are free to exchange information with other patients/carers and be updated about patient conferences, events and new treatment trials.
